JAMUP

published by Southern Illinois Electric Cooperative, Dongola, Illinois

A Touchstone Energy® Cooperative

As a member of the cooperative, you choose how to make your bill payment

Chris Boyd
Director of Member Services

Paying your bill is easy and convenient with several payment options you are offered by Southern Illinois Electric Cooperative. Payments can be mailed, paid in person at the Dongola office during regular business hours or deposited in our 24-hour night deposit boxes located at the Dongola and Massac County offices. You can also make a payment over the phone by calling 855-356-6361. We accept MasterCard, VISA, Discover and American Express. Additionally, we offer the following options for you to consider:

Dakota Brewer

- **Automatic Bank Draft –** It's free and convenient. If you would like to save time, checks and postage each month, you may want to consider Automatic Bank Draft. You'll never have to worry about whether or not you've paid your electric bill on time again. This service enables you to have your electric bill payment automatically deducted from your checking or credit card account each month.
- **Budget Billing Plan –** This service makes managing your cash flow easier by providing predictable monthly payments. Utility bills are usually highest during the winter and summer months, but budget billing avoids these highs by creating a consistent monthly payment based on your 12 months of electric use. Because of this, members do need to have at least 12 months of usage history at their current residence. The first 11 monthly payments will be the same. On the 12th month, the cooperative offers a "catch-up" month. This is where any credit or balance due on your account for the budget year end is reflected.

Eloise Rainey

- **Pay As You Go –** With pay-as-you-go, you can pay when you want and in the amount you want. Instead of receiving a traditional paper bill that is generated once each month, usage is calculated daily. Members never pay a late charge and avoid paying large deposits. If it would be easier for you to make daily, weekly or bi-weekly payments rather than one large payment each month, then this may be your best option. Just make sure in order to continue service you need to maintain credit on your pay-as-you-go account.
- **SmartHub –** SmartHub is a free online bill payment option that allows our members to securely pay their bill from the website as well as from your smartphone or other mobile device. Perhaps the most useful feature is the ability to track your energy usage in greater detail. You can see your daily usages to help determine how you are using electricity. For those members who do not want to create an online account for SmartHub, you can use a feature called Pay Now, which allows you to pay your bill using just your account number and last name.

For questions involving these options, please contact our billing department at 618-827-3555.

You can help us locate these former SIEC members.

In October 2018, SIEC mailed capital credit checks to the last known address of former members who received electric service for 1988 and prior. **Alan Tash**

Following is a partial list of former members who have not cashed their checks, or their checks were returned because of an invalid address. We have published the names on our list over the past several months. You can also check our website, www.siec.org, for a complete listing of names. If your name is on the list, or you have knowledge of a current address or know someone who may have this information, please call the cooperative office at 1-800-762-1400 or 618-827-3555 and ask for Lana.

Thank you for assisting us in locating these former cooperative members.

When it comes to severe weather...
hope for the best, but prepare for the worst.

You can begin your preparation by assembling an emergency preparedness kit, which includes items to help keep your family safe and comfortable during a power outage. Your kit should include items such as water, non-perishable food, flashlight, batteries, blankets and a first aid kit.

___ Drinking water & food
___ Blankets, pillows & clothing
___ Basic first-aid supplies
___ Medications
___ Basic toiletries
___ Flashlights
___ Battery-operated radio
___ Extra supply of batteries
___ Cell phone with chargers
___ Cash and credit cards
___ Basic tools (duct tape, wrench, etc.)
___ Important documents & numbers
___ Toys, books & games
___ Baby supplies
___ Pet supplies
