

Clinton County Connection

Your Touchstone Energy® Partner 

Published by Clinton County Electric Cooperative, Inc. • cceci@cceci.com • www.cceci.com

Have you received your capital credit check?

Most of this month's publication will be dedicated to communicating with those members, past and present, that have uncashed capital credit checks. We need your assistance in connecting with these members so we can return their allocated/retired patronage. A list of members with outstanding capital credit checks can be found on pages 16b & 16c of this publication. Please contact us at P.O. Box 40, Breese, IL 62230, via e-mail at cceci@cceci.com, or by phone 618-526-7282 with any pertinent information regarding these members. If you move off our lines, please keep us informed of any address changes. If you are presently a member and your name appears on this list, contact us so we can reissue your check.

I would like to take this opportunity to invite the membership to visit our website www.cceci.com. There you will have the opportunity to sign up for E-Business; the button is on the upper left of our home page. All you will need is a Cooperative billing statement and a valid email address. Once you are signed in, you will be able to view your personal account and have the option to pay your bill

via our website using a debit card, credit card, or checking account. You can even choose a recurring payment option.

Over time our member's lives change, whether it be marriage, divorce or even death. Generally, informing the electric cooperative of these changes tends to be the last thing on a member's mind. However, these life changing events MAY change membership status. Back in August, CCECI started sending member verification letters to all active memberships in hopes of obtaining current, accurate

Providing our members with safe, reliable, reasonably priced electricity while providing excellent service will continue to be our goal.

information for all members. If you have received the letter and have not yet contacted us to either confirm or update your

membership information, please do so at your earliest convenience by calling the office between 7 a.m. and 4 p.m., at 618-526-7282. If you have not yet received a letter, watch your mailbox because throughout the next couple of months, we will continue to mail out a membership verification letter to each active membership. Please remember action is requested and it is extremely important we hear back from you when you receive your membership verification letter.

Even if the information in the letter is correct, give us a call between 7 a.m. and 4 p.m. and let us know all is well. It is important to note if a name is not on the membership, that person does not have the benefits attached to membership. Simply put, that person cannot vote, earn capital credits or even inquire about account activity. Our goal is to have all of our membership records verified before the 2016 Annual Meeting of the membership.

Please remember, all initiatives we embark upon always have our members' best interest in mind. Providing our members with safe, reliable, reasonably priced electricity while providing excellent service will continue to be our goal. As always, if you have any comments or questions, please don't hesitate to contact me at Johnson@cceci.com.

Mike Johnson

Ten 2016 IEC Memorial Scholarships available

Clinton County Electric Cooperative has announced that the Illinois electric cooperatives in 2016 will award nine academic scholarships to high school seniors through a memorial scholarship fund designed to financially assist deserving students in the “electric cooperative family.” In addition, a tenth scholarship – to assist with costs in attending an electric lineworker school – will also be offered.

The total of ten scholarships of \$2,000 each will be awarded in 2016 through the Thomas H. Moore Illinois Electric Cooperatives (IEC) Memorial Scholarship Program.

Five scholarships will be awarded to high school seniors who are the sons or daughters of an Illinois electric cooperative member receiving service from the cooperative. A sixth scholarship, the Earl W. Struck Memorial Scholarship, will be awarded to a student who is the son or daughter of an Illinois electric cooperative employee or director. Three additional scholarships are reserved for students enrolling full-time at a two-year Illinois community college who are the sons or daughters of Illinois electric

cooperative members, employees or directors.

The tenth annual scholarship, the “LaVern and Nola McEntire Lineworker’s Scholarship,” was awarded for the first time in 2011. This \$2,000 scholarship will help pay for costs to attend the lineworker’s school conducted by the Association of Illinois Electric Cooperatives in conjunction with Lincoln Land Community College, Springfield, Ill. LaVern McEntire served as a lineman for McDonough Power Electric Cooperative from 1949 until 1991. He and his wife, Nola, endowed the scholarship to financially assist deserving individuals in becoming trained lineworkers. Sons and daughters of cooperative members; relatives of cooperative employees or directors; and individuals who have served or are serving in the armed forces or National Guard are all eligible for the lineworker’s scholarship.

“We hope to assist electric cooperative youth while honoring past rural electric leaders with these scholarships,” says President/COO Mike Johnson. “Clinton County Electric and the other Illinois electric cooperatives are always seeking ways to make a difference in

our communities. One of the best ways we can do that is by helping our youth through programs like this one. In addition, we are very pleased to offer the electric lineworker’s scholarship. It will benefit not only electric cooperative youth but also those fine men and women who have served their country through their military service and may now be wanting to become a trained lineworker.”

These scholarships are also a reflection of Touchstone Energy’s Education, Training and Information Cooperative Principle: “Cooperatives provide education and training for their members, elected representatives, managers, and employees so that they can contribute effectively to the development of their cooperatives. They inform the general public, particularly young people and opinion leaders, about the nature and benefits of cooperation.”

For more information regarding the scholarships, contact Carrie Trame at 618-526-7282 or trame@cceci.com. Information has also been shared with area high school guidance counselors and is also available for download at the cooperative’s website at www.cceci.com.

Lineman's Safety Rodeo

Three linemen from Clinton County Electric Cooperative participated in the annual statewide Lineman's Safety Rodeo on Friday, Sept. 18. Line personnel competed in five team events which included hurt man rescue, egg climb, single phase capacitor changeout, switch operator with S & C load break tool, and an H-structure obstacle course. Foreman Doug Vonder Haar and Apprentice Linemen Jacob Haselhorst and Justin Hubert performed well in all of the events and placed first in the single phase capacitor changeout event.

The 18th Lineman's Safety Rodeo, held at Lincoln Land Community College (LLCC) in Springfield, coincided with a series of courses designed to help electric line personnel improve their work skills in safe and efficient ways. Several electric suppliers joined the Association of Illinois Electric Cooperative in sponsoring the event.

Apprentice Lineman Jacob Haselhorst is seen here with his daughter Brenna who traveled to Springfield with her grandparents to support her dad at the Lineman's Safety Rodeo.

Left to Right: CCECI Apprentice Linemen Justin Hubert and Jacob Haselhorst can be seen here performing a single phase capacitor changeout.

Left to Right: CCECI Apprentice Lineman Justin Hubert, Foreman Doug Vonder Haar and Apprentice Lineman Jacob Haselhorst represented Clinton County Electric at the 18th Lineman's Safety Rodeo.

HOLIDAY CLOSINGS

In observance of the following holidays, the Cooperative office will be closed:

Thanksgiving..... Thursday, Nov. 26 and Friday, Nov. 27

Christmas Eve & Christmas Day Thursday, Dec. 24 & Friday, Dec. 25

New Year's Eve & New Year's Day..... Thursday, Dec. 31 & Friday, Jan. 1
