

IN 1752, BENJAMIN

**FRANKLIN
DISCOVERED
ELECTRICITY
IN A FIELD.
IN 1935, WE**

**WERE CALLED UPON TO
GET IT THERE.**

**Egyptian Electric
Cooperative Association**

Your Touchstone Energy® Cooperative 

TOGETHERWESAVE.COM

Supplying electricity to rural America didn't happen overnight. It took vision, cooperation and determination. Today, as a member of an electric co-op, it's your turn to influence the future by saving energy. Learn how at TogetherWeSave.com.
