

**Report a power
outage with a
text from your
cell phone**

**As simple as
55050**

**Don't wait until the next storm!
Sign up today and report power outages
with a text from your cell phone.**

Signing up for our Outage Texting service means:

- No busy signals
- No waiting
- A confirmation text that your outage has been received
- A text when service is restored

With our service you can have multiple electric services and multiple cell phone numbers so other members of the family can report an outage.

For more information and to sign up, visit www.eeca.coop and go to the MyService tab.
