

Why build a new home with an old-fashioned water heater?

Marathon's Envirofoam insulation keeps hot water hot much longer than any other water heater. Because it has a plastic tank, it won't rust or corrode. The Lifetime Tank Warranty will save you the future expense of buying a replacement heater.

Bottom line--it may cost a little more now, but a Marathon will pay dividends later.

We have 50 and 85 gallon Marathon water heaters in-stock.
