

**Report a power  
outage with a  
text from your  
cell phone**

**As simple as  
55050**

**Don't wait until the next storm!  
Sign up today and report power outages  
with a text from your cell phone.**

Signing up for our Outage Texting service means:

- No busy signals
- No waiting
- A confirmation text that your outage has been received
- A text when service is restored

With our service you can have multiple electric services and multiple cell phone numbers so other members of the family can report an outage.
