

An Invitation from the Board

On behalf of the board of directors of Egyptian Electric Cooperative Association, I wish to extend a personal invitation to each of our members to attend the annual meeting on Thursday, July 23, 2015, at the Steeleville American Legion Hall.

Please enter through the main (east) entrance of the Legion and register there to receive a \$20 credit on your electric bill. Hot dogs, chips and other sundries will be available in the small hall from 4:30 p.m. until 6:30 p.m.

I encourage you to bring the registration card on the cover of this month's magazine to speed registration. Registration will open at 4:30 p.m. All members registered by 7:00 p.m. will be included in drawings.

I also want to remind those wishing to represent an organization or business at the Annual Meeting, will be required to have a Letter of Authorization from the organization or business. This form was included with the bill in May for organizations and businesses. This ensures there is no misunderstanding as to who has the right to represent an organization. For more information or to download a form, please visit the Annual Meeting page under the My Membership section on our website.

We will also have a booth showing members how to use our "Always On", on-line access tools. These tools allow you access to your account 24-7 to make payments, change mailing addresses, phone numbers and payment options like direct payment. There are also tools to help you control your energy usage. Cooperative employees will be there to show you how you can use these tools to have "Always On" access.

At the close of the meeting, we will draw for three (3), \$100 attendance prizes. You must be registered by 7:00 p.m. to be entered in the drawing and be present to win.

I would like to encourage our younger members with families to attend this year's Annual Meeting. We will have a youth program available during the meeting in the Legion bowling alley. There will be bowling, a movie and other items to entertain our youngest members while Mom and Dad attend the meeting.

The Annual Meeting is a great time to visit with friends, neighbors and acquaintances while learning more about your electric cooperative and the services it provides its members. Come join us on July 23.
