

Help fill our lobby with

food

This holiday season, you can help put food on someone's table while saving energy. Bring commercially packaged, non-perishable food items to our office and we'll give you up to four CFL light bulbs in exchange.

We'll deliver the food to area food banks in time for someone to have a better holiday meal. Saving energy while feeding the hungry. The cooperative way of helping each other to a better way of life.

Offer good while supplies last.
