

The holidays can be a time for making beautiful memories and sharing special gifts. Give your family the gift of a safe celebration.

- Follow manufacturer's instructions on cooking appliances and all decorative items that use electricity.
- Outdoors, use only decorations and cords rated for outdoor use.
- Never throw lights up into trees near overhead power lines.
- Give your family TLC. Teach what you know. Learn what you need to. Care enough to share it with those you love.

From All of Us at Egyptian Electric Cooperative — may you have a blessed and safe Holiday and New Year.
