

FOCUSED ON YOUR STREET. NOT WALL STREET.

As we celebrate Lineman Appreciation Day on April 11, we wanted you to know that our lineman, just like all of our employees, are dedicated to providing you with reliable electric service. After all, we're owned by you and the other members in our community, which means our focus is always right here in east central Illinois. Find out more at www.eiec.coop.

YOUR SOURCE OF POWER. AND INFORMATION.
