Sand Prairie WIRELESS
Connecting our members to the world.

electric • natural gas • high-speed internet

Working together to bring you more.

Our mission statement is to “enhance the quality of life for our members.” When we invested in state-of-the-art equipment to improve communication in our energy delivery, it gave us a gift: the ability to bring reliable, high-speed Internet to customers who had not previously had this option.

Connecting our members to the world.®
