

Building on the Power of Membership

Operation Round Up is a charitable program unique to electric cooperatives that is designed to provide financial assistance to local nonprofit organizations and community projects. Co-op members will be automatically enrolled to "round up" electric bills each month to the nearest dollar.

The spare change will fund the Operation Round Up program. Although your change is a small amount, when combined with other co-op members, the potential impact could make a substantial difference in our communities.

Contributions will be tax deductible.

ROUND UP BEGINS ON THE BILL RECEIVED IN NOVEMBER
