

Time running out to qualify for HomE Rebates

HomE Rebates are on a first come, first served basis until federal funding runs out. Funding is running out so call today if you're interested! Contact our office by calling 217-632-7746 or email info@menard.com to set up a home assessment. The cost of the assessment is \$25. We'll conduct them Monday through Friday 8:00 a.m. – 3:00 p.m. as scheduling allows. Rebates are for existing homes only that must be the member's primary residence.

HomE Rebates

- \$1,500 – Geothermal heat pumps (closed loop 14.1 EER or 3.3 COP) (open loop 16.2 EER or 3.6 COP)
- \$1,000 – Air source heat pumps (16 SEER)
- \$350 – Natural Gas or LP furnace (95% efficiency)
- \$350 – Central air conditioner (16 SEER)
- \$250 – Heat pump water heater (2.0 Energy Factor)
- 30% of cost of insulation and weatherization (max of \$500)

Insulation and heat pump water heater rebates can be combined with others. Furnace and air conditioner rebates cannot be combined. Rebates will continue until the money is exhausted.
