

Great Time for Budget Billing

Sign up for our budget billing program to never again be surprised by higher bills during heavy usage periods. We'll calculate a monthly budget amount by estimating the average kilowatt-hours used in the previous 12 months.

For 11 months, you'll be billed the same amount each month. Then, in the 12th month, you'll receive a bill containing either a credit (if you used less kilowatt-hours than expected during the previous 11 months) or an amount due (if you used more kilowatt-hours).

The next budget billing cycle begins with our July bills. June 2014 bills will

contain the credit or amount due. Call the office for more information or to sign up.

Online Bill Pay

Don't forget you can pay your bill online and view your historical usage through our website. Just click on the link at www.menard.com to register and get started.

Automatic Bill Payment Authorization

Send us this form to have your bill automatically deducted from your checking or savings account each month.

The amount deducted will be the total amount due on your bill. Deductions are taken the 17th of each month. You'll still receive a bill statement in the mail so you'll know exactly how much to deduct each month.

This form must be received in our office by the 28th of the month for your next month's bill to be drafted.

Mail with a voided check to Menard Electric Cooperative, PO Box 200, Petersburg, IL 62675.
