

This Independence Day we remain proud of the heritage of our Nation and our Co-op. We recognize the hard-fought war and sacrifices made by our nation's forefathers to create the United States.

We also tip our hats to the founders of Menard Electric Cooperative, who beat incredible odds to form this co-op and improve their quality of life.

Happy Independence Day!

**Menard Electric
Cooperative**

A Touchstone Energy® Cooperative 

Our office will be closed Monday, July 4th
