

Let's give thanks this year

- **To the linemen** who risk their lives in every kind of weather to keep the lights on
- **To the people in the co-op office** who provide information that helps you better understand how you use electricity to keep your electric bill as low as possible
- **To the forestry crews** who clear brush and trim trees to reduce blinks and outages
- **To the co-op manager** who works with power suppliers to ensure you will have affordable electricity far into the future

Happy Thanksgiving from everyone at your Touchstone Energy® Cooperative. We're thankful to have **YOU** as a member!
