

Turn in that energy-wasting fridge

Recycle and earn \$50!

RECC and the Illinois Municipal Electric Agency (our wholesale power supplier) continue to offer the “Recycle My Fridge” program to remove old refrigerators and freezers from co-op members’ homes. By recycling an extra refrigerator, members can save as much as \$100 a year while assuring that almost all of the parts are being re-used in some way. The Appliance Recycling Centers of America (ARCA), Inc. is handling the pickup and handling of the old refrigerators and freezers, and will send a \$50 gift card to each participant after the pickup is completed.

Residents of owner-occupied homes served by RECC can schedule an appointment to have their refrigerator or freezer picked up from inside their homes, free of charge, by calling (877) 341-2313 or visiting the program’s website, www.RecycleMyFridge.org.

Tune in to “Home Remedies”

Doug Rye – “King of Talk and Caulk”

Doug Rye’s “Home Remedies” radio show provides practical insight into home construction ideas and energy efficiency measures, every Saturday morning from 9:00 to 10:00 a.m. on WSMI 1540AM. Doug Rye may be the best-known residential energy consultant in the nation. Since 1990, his weekly radio show has provided practical insight into home construction ideas and energy efficiency measures. Doug is known nationwide for his honest, down-to-earth and friendly style.

The Home Remedies show airs live each Saturday morning, sponsored locally by RECC, M.J.M. Electric Cooperative and area heating contractors. Callers with energy efficiency, new construction and remodel questions are always welcome and encouraged to call the show. The call-in number is 1-800-477-1037.
