

**Recycle  
your fridge  
and get \$35!**

**UNLOADING OUR  
SECOND FRIDGE  
HELPED US STOCK UP  
ON GROCERIES.**

That old, empty beast was costing us money on our electric bill, so we kicked it to the curb for recycling. Find out what you can do at [TogetherWeSave.com](http://TogetherWeSave.com).

**RECC members – get a \$35 gift card  
for recycling your extra fridge or freezer!**

RECC has teamed up with the Illinois Municipal Electric Agency (the agency that supplies our wholesale electricity) and the Appliance Recycling Centers of America (ARCA), Inc. to initiate the Illinois Recycle My Fridge program. By recycling a secondary refrigerator, members can save as much as \$100 a year.

Residents of owner-occupied homes served by RECC can schedule an appointment to have their refrigerator or freezer picked up from inside their homes, free of charge, by calling (toll free) 877-341-2313 or visiting the program's Web site ([www.RecycleMyFridge.org](http://www.RecycleMyFridge.org)). The unit will be properly recycled and, in return, each participant can cash in on the cool savings. Check the program details through the Web site or phone number above.
