

THERE'S SOMETHING TO BE SAID ABOUT STAYING IN THE SAME NEIGHBORHOOD.

HOUSE

1936..... \$3,925
2013..... \$313,700

INCREASE..... 80X

ELECTRICITY

1936..... 5¢
2013..... 11¢

INCREASE..... 2X

BASED ON U.S. AVERAGE COST PER KILOWATT HOUR

Over the past 75 years, the price of a home has increased dramatically. But we've helped to ensure that the price of electricity has barely moved. Learn more about the power of your co-op membership at TogetherWeSave.com.
