

YOUTH TO WASHINGTON

June 12-19, 2015

SouthEastern Illinois Electric Cooperative would like to encourage high school students to learn more about government and provide student leaders with a chance to get an up-close look at our state and federal governments in action.

SouthEastern will sponsor two junior or senior students from area high schools in its service area on an all-expense paid day trip to Springfield and a week-long trip to Washington D.C. Applications are available on our website at www.seiec.com. Please contact your school's guidance counselor or Sunday Whitlock at 618-297-9710 for more information.
