— ELECTRIC COOPERATIVE —

Youth Tour

SPRINGFIELD
March 29, 2017

Egyptian Electric Cooperative wants high school students to not only discover more about the political process, but provide them with a chance of a lifetime to get an up-close look at our state and federal governments in action. Egyptian Electric Cooperative will sponsor at least eight high school sophomore, junior or senior students, from each public or private high school

located in our service territory, on an action-packed day

trip to our state capitol. From those students, two will be selected to participate on a weeklong, all-expense paid trip to Washington, D.C. alongside the other cooperative sponsored students nationwide. Applications are available on our website at www.eeca.coop and due March 6. You can also contact your school's guidance counselor or Brooke Guthman at 618.684.2143 for more information. See page 16A for more details.
