Members approved a change to the bylaws to give the board the authority to appoint non-voting directors who could bring special expertise to the board.

Alan Heaton gave the report of the nominating committee. Three districts were up for an election at this year's meeting. The nominating committee nominated Jim Freeman for District 3, Jenna Morrow of Pittsfield for District 1, and Kevin Klein of Murrayville for District 7. All of whom were elected.

Board President Meehan thanked retiring Directors Gary Clark and Eric Lakin for their years of service to the co-op.

Thank you to all of the members who made it out to the meeting this year. We look forward to seeing you all next June.

Lockbox Payment Processing

This month, the co-op will begin using a lockbox service for receiving payments by mail. Members who mail their payment in may notice a new return address printed on the envelopes.

Lockbox payment processing services are considered best practice in the business world as they are the most efficient and secure way of receiving payments.

Members who prefer to bring their payment to the office can still do so. This doesn't change the way online payments are made, either.

If you have any questions before mailing in your payment, please feel free to give us a call at 1-800-468-4732.
