

Looking for love;

Geothermal heating & cooling system ...

PROFILE

- ♥ I can lower your electric bills
- ♥ I'm safe
- ♥ I'm very quiet, both inside and outside
- ♥ I love the environment
- ♥ I'm never too hot, or too cold
- ♥ I don't complain
- ♥ I'm low maintenance
- ♥ I don't take up much space
- ♥ I'm reliable
- ♥ You don't have to buy me flowers, candy or jewelry on Valentine's Day

There are many geothermal systems still looking for a long-term relationship. For more information about helping make a connection, contact your local Touchstone Energy cooperative.
