ELECTRIC COOPERATIVE

Youth Tour

SPRINGFIELD
April 18, 2018

Egyptian Electric Cooperative wants high school students to not only discover more about the political process, but provide them with a chance of a lifetime to get an up-close look at our state and federal governments in action.

Egyptian Electric Cooperative will sponsor at least eight high school sophomore, junior or senior students, from each public or private high school located in our service territory, on an action-packed day trip to our state capitol. From those students, two will be selected to participate on a week-long, all-expense paid trip to Washington, D.C. alongside
