Unclaimed Capital Credit Checks, 1976-1978

In May 2018, Norris Electric returned \$2,426,641.52 in capital credit allocations to members who purchased electricity from 1976 through 1978. Norris mailed checks to the last known addresses on file for these members. As of August 1, 2018, the list below contains the names of members whose checks were returned

to us by the post office because of incorrect addresses.

We need your help... if your name is listed below, or if you have an updated address for someone on the list, please contact Norris Electric. If one of your relatives is on the list and he or she is deceased, we are able to rewrite the check in the name(s) of

the member's heir(s). Please contact our office to obtain the forms needed to claim these funds by calling 1-877-783-8765 or emailing: capitalcredits@norriselectric.com. This list of names along with last known addresses is also available on our website at www.norriselectric.com.
