

# How energy efficient is your home?

As your electric cooperative, a job we take seriously is helping you reduce your energy costs. Entering this URL [homeefficiency.touchstoneenergy.com](http://homeefficiency.touchstoneenergy.com) into your browser will take you to the online Touchstone Energy® Home Energy Efficiency Analysis Tool. This tool will ask a series of questions about your home and give you quick tips and fixes, designed around your space, to help you cut down on your energy and costs.

*Brought to you by your Touchstone Energy cooperative.*
