

Uncovered Outlets

If you do not have tamper-free outlets, buy outlet plugs or covers.

Long cords

Use cord-shortening devices or trimmed zip ties to wrangle long cords.

Surge **Protector Covers**

These keep multiple outlets, plugs and cords less tempting.

Dangling Electrical & Charging Cords

Exposed Cords

Cover exposed cords that could be crawling or tripping hazards.

Extension Cords

Limit use of extension cords and put them away right after you are done with them.
