### Deadline for applications is Friday, October 16, 2020.

Scholarships will be drawn live at the end of the digital 76th Annual Meeting of the Members of Clay Electric Co-operative held via Facebook Live on Thursday, October 22, 2020.

### Eligibility:

Three scholarships will be awarded to students who are the sons or daughters of Clay Electric Co-operative members who reside in Illinois and are receiving service from the cooperative at the time the scholarship application is submitted. The applicant must be a 2020 high school graduate who is planning to enroll in a full-time (at least 12 hours) undergraduate course of study at an accredited two-year or four-year college, university, or vocational/technical school.

Application forms must be received at Clay Electric Co-operative headquarters by October 16, 2020 to be entered into the drawing.
