

Budget Billing

Enroll in Budget Billing and you will pay the same amount each month for 11 months. The 12th month you will "settle up" with a credit if you used less than the estimated amount of electricity, or a balance due if you used more. We will periodically evaluate the account and apply a one-time adjustment if needed to keep you from having a large settlement amount.

Email info@menard.com or call 800-872-1203 with your account number for details.

Sign up soon to be part of our new cycle with a November 2021 billing settleup month.
