Cooperative month

October is cooperative month, and we salute you, our consumer-member. You matter to us. When you call our office, you talk to people who attend your church, whose kids attend school with your kids and whose homes lose power when yours does. We celebrate when you celebrate and grieve when you grieve. We are right here where we always have been, and always will be. We are your local electric cooperative, and our only purpose is to serve you.

Brought to you by your Touchstone Energy Cooperative.
