

On Your Bill: Service Availability

All consumer-members pay a daily service availability charge so everyone shares fairly in the costs of operating and maintaining our electric system. It's like the costs you pay to own a car, even if you never drive it.

What you need to keep a vehicle ready for the road:

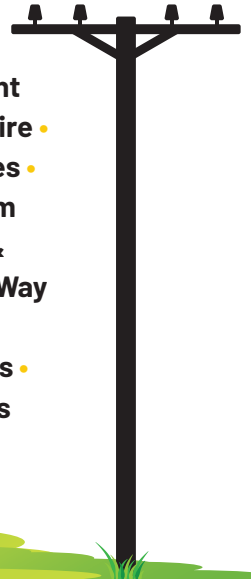

The graphic below shows all the work and services your co-op provides.

We're ready for you at the flip of the switch.

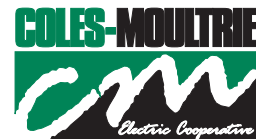

Everything needed to bring electric service to you:

- Bucket Trucks
- Line Equipment
- Poles
- 24/7 Service
- Meters
- Wire
- Accounting & Billing
- Employees
- Taxes
- Online Services
- Storm Repair
- Computer Systems & Software
- Insurance
- Right-of-Way Maintenance
- System Improvements
- Phone Services
- Safety Equipment & Programs
