ELECTRIC COOPERATIVE

Youth Tour

Egyptian Electric Cooperative wants high school students to not only discover more about the political process, but provide them with a chance of a lifetime to get an up-close look at our state and federal governments in action. These students will also walk away with leadership experience, and meet fellow students who will become forever friends across the state and nation.

Egyptian Electric Cooperative will sponsor two high school sophomore, junior or senior students, from the public or private high schools located in our service territory. Winning students will get to participate in a weeklong, all-expense paid trip to Washington, D.C. alongside the other cooperative sponsored students nationwide.

You can also contact your school's guidance office or Brooke Guthman at (800) 606-1505 for the application or more information. See page 18A for more details.

WASHINGTON, D.C.
June 17-24, 2022

**Applications are available on our website
at eeca.coop and due February 11, 2022**
