

2023

ELECTRIC COOPERATIVE

Youth Tour

Each year Egyptian Electric Cooperative, and other cooperatives in the state, select local high school students for the annual Youth Day in Springfield and Youth to Washington! Participating students will walk away with leadership experience and get an up-close view of state and federal government in action. They will get to meet fellow students who will become forever friends across the state and nation. Youth Day to Springfield will be Wednesday, March 29, 2023, and Youth Tour (Youth to Washington) will be held June 16-23, 2023 in Washington, D.C. Sophomores, juniors and seniors, attending public or private high schools within the Egyptian Electric service territorial footprint, or otherwise a member of the cooperative, are eligible to apply for this once-in-a-lifetime opportunity. EECA school districts include: Marissa, Sparta, Chester, Pinckneyville, Murphysboro, Elverado, Trico, Carbondale, Steeleville, Red Bud and Carterville.

Applications are being accepted from now until Feb. 6, 2023. They can be found on our website, with area high school guidance counselors and at our office. All expenses are paid by Egyptian Electric Cooperative, and transportation is provided.

WASHINGTON, D.C.

June 16-23, 2023

**APPLICATIONS ARE AVAILABLE ON OUR WEBSITE
AT EECA.COOP AND DUE FEBRUARY 6, 2023.**
