

NICOR GAS CUSTOMERS:

You have the power to choose your supplier!

Now that winter is here, it's a good time to review your energy options. If Nicor is your natural gas utility, you can choose Corn Belt to supply your natural gas through the Customer Select® program.

As a not-for-profit cooperative, we offer competitive rates with local service, all with no additional fees.

Enrollment is easy! Sign up today to take advantage of low therm rates. Visit www.countoncornbelt.com to learn more.

It's Your Choice

We offer two variable rate plans with all-inclusive therm prices and we don't charge any additional service fees or early termination fees. To view current therm rates and convenient billing options, visit www.countoncornbelt.com.

Enrollment is Easy

Signing up is simple - just have your Nicor account number handy. Enrolling online or over the phone takes less than 5 minutes. There's nothing to install and we'll notify Nicor of the supplier change on your behalf. Our supplier charge will be included on your Nicor statement, so you'll continue to receive and pay just one bill.

Get up to \$20

If you're selecting Corn Belt Energy as your natural gas supplier for the first time, you'll receive a \$10 check after your first billing when you enroll online.

If you're a Corn Belt electric member, you'll also receive a one-time credit of \$10 on your electric bill once we begin supplying your natural gas.

GREAT RATES • NO FEES • LOCAL SERVICE

Enroll online and receive up to **\$20**
