

1-800-526-7282

is the number to call 24 hours a day/7 days a week when you have a power outage

When calling 1-800-526-7282 during office hours, you will reach your local Clinton County Electric Cooperative Office in Breese. However, after hours, your call will be routed directly to Cooperative Response Center (CRC). The professionals at CRC will promptly dispatch your outage to our Clinton County Electric Linemen who will restore your power as quickly as possible.

Please take time right now to add this new number to your cell phone contact list adding an appropriate name such as "electric outage"
