in these tough  
economic times.

Our TogetherWeSave.com program helps you save electricity so you can use your hard earned dollars for other necessities of life; our CERTIFIED COMFORT HOME program helps you build energy efficient and comfortable housing; and our CO-OP CONNECTIONS CARD helps you save dollars on the necessities you need and the luxuries you enjoy.

Since 2007, our members have saved over \$68,000 with the prescription drug benefit of the Co-op Connections Card.

The card is yours. The savings are yours. All because you are a member of Egyptian Electric Cooperative. Always thinking of ways we can improve your quality of life. Visit <http://co-opconnections.com/> to see all of the ways the Co-op Connections Card can help you save.
