

The People Have the Power

Members heard powerful voices at Menard Electric's Annual Meeting ... their own. Only with an electric co-op is every customer an owner of the business. Unlike other electric utilities, Menard Electric exists to make sure your needs are always met, not to make a profit. And since every electric co-op is locally owned and operated, we are always there with you, reinvesting in your community. That's why at Menard Electric Cooperative, the people have the power.
