Combine your rebates to save big

Tax Credit:

You could be eligible for a federal tax credit of 30 percent of your project, up to \$1,500. Tax credits include geothermal, air source heat pumps, central air conditioners, insulation and more. Ask your tax preparer for the specifics of this program.

Menard Electric Cooperative Rebates:

- \$600 – Geothermal heat pump
- \$200 – Air source heat pump
- \$75-\$100 – Electric water heater

Call and ask us about the specifics of each rebate or visit www.menard.com.

Home rebates

\$1,500	Geothermal heat pumps closed loop (14.1 EER or 3.3 COP)
\$1,500	Geothermal heat pumps open loop (16.2 EER or 3.6 COP)
\$1,000	Air source heat pumps (16 SEER)
\$350	Natural Gas or LP furnace (95% efficiency)
\$350	Central air conditioner (16 SEER)
\$250	Heat pump water heater (2.0 Energy Factor)
max of \$500	30% of cost of insulation and weatherization
<i>Maximum rebate per household is \$1,500. Rebates began May 10, 2010, and will continue until the money is exhausted.</i>	

How to claim a rebate

1. Contact our office to set up a personal Energy Assessment of your home. This program is conducted on a first come, first served basis. We'll verify your eligibility and take your name and contact information and the date of your request.
2. We'll schedule a time for someone to meet with you at your home to perform the assessment and tell you where you can save money with energy efficiency improvements. The cost of the assessment is \$25. We'll conduct these Monday through Friday 8 a.m. – 3 p.m. as scheduling allows.
3. Based on the recommendations we make, you decide what improvements you wish to make. You'll submit a proposal form to us and we'll send you a signed copy letting you

know that we are setting aside funds for you for 60 days.

4. Once you have completed your project, you'll send us a completion form and receipt. We'll verify the work and send you a rebate check.

Who's eligible?

You must be a member of Menard Electric and live in the home as your primary residence. You must not qualify for the Low Income Community Weatherization Program through your local Community Action Agency. The Weatherization Program provides more assistance than this program, if you think you may qualify, contact your local Community Action Center or visit www.capcil.org for more information.
