

YOUTH TO WASHINGTON June 10-17, 2011

Monroe County Electric Co-Operative would like to encourage high school students to learn more about government and provide student leaders with a chance to get an up-close look at our state and federal governments in action

Monroe will sponsor two junior students from area high schools in its service area on an all-expense paid day trip to Springfield and a week-long trip to Washington D.C. Students will be chosen based on a one-page essay explaining why they would like to tour Washington D.C. Please contact your school's guidance counselor or Allan Masterson at 618-939-7171 or 1-800-757-7433, ext. 115 for more information.
