

An Energy Efficiency Program

for Rock Energy Cooperative members

Rock Energy members who live in Illinois are eligible for rebates of up to \$1,500 when they make specific energy efficiency improvements to their homes.

How much are the rebates?*

Geothermal heat pumps	\$1,500
Air-source heat pumps	\$1,000
Central air conditioning	\$350
Natural gas or LP furnace	\$350
Heat pump water heater	\$250
Insulation/air sealing	\$500 maximum, 30% of project cost

**Rebates will be approved for only one piece of heating or cooling equipment*

How does the program work?

1. Call Rock Energy at (866) 752-4550 to arrange an energy assessment, which is required to qualify for the rebates. Appointments will be scheduled between 8 a.m. and 2 p.m. A \$25 fee will be collected at the time of the in-home assessment.
2. You will receive recommendations about how to improve your home's energy efficiency, performance and comfort.
3. Decide what work will be completed and submit a proposal and cost estimate to us. We will return a signed copy, stating that funds have been set aside for you.
4. Work must be completed within 60 days.
5. Send us a completion form with copies of your receipts.
6. We will issue a check to you.

If you have questions about the program, call our office at (866) 752-4550 between 7:30 a.m. and 4 p.m. Monday through Friday. You also can visit www.rock.coop and click on the Home logo.
