

Trick or Treat?

Kids already know that it's better to get a treat than a trick. When you look at your electric bill each month, which do you get ... a Snicker's bar or a sour lemon? If it's a lemon, log on at www.togetherwesave.com and find out how little changes you make can add up to big savings.

By using the numerous suggestions from the site such as sealing your home's cracks, adding insulation and installing a programmable thermostat, before long when your bill arrives you'll be snickering instead of puckering! For more information, check out their website, togetherwesave.com.

This message is proudly brought to you by Western Illinois Electrical Coop., your local touchstone Energy Cooperative.
