

# WE'RE HERE FOR YOU

Why does our line crew work overtime, often in inclement weather, to restore power as quickly as possible when a member has an outage? During the most dangerous storms and freezing temperatures, the WIEC line crew is out risking their lives so our members can have a warm home, lights to see by and hot food on the table.

Why? It's simple. We care about you, our neighbors and friends, because we work and live in this community too. Serving you doesn't stop when the day is over: it stops when the job is done.
