

Do you or someone you know need help with heat/electric bills?

Let LIHEAP help!

Funds are available thru Crosswalk Community Action Agency for the **Low Income Home Energy Assistance Program (LIHEAP)**.

If you have not already been approved and received payment on your heat and/or electric bill, since September 1, 2012 you may qualify to have a payment sent to your heat and/or electric provider. You **MUST** be the Customer of Record (COR).

If you meet the following income guidelines for your household size, **GO TO THE OUTREACH SITE** in your county and schedule an energy assistance appointment. Appointments will be available until May 31, 2013 or until funds are exhausted. For more information, call Crosswalk at (618) 937-3581.
