Pay-As-You-Go Metering

Our Pay-As-You-Go meter plan offers you the opportunity to pay when you want and in the amount you want. Instead of receiving a traditional paper bill that is generated once each month after you used electricity, usage is calculated daily. You pay for your electricity before you use it. Pay-As-You-Go members never pay a late charge, and avoid paying large deposits. If it would be easier for you to make daily, weekly, or biweekly payments, rather than one large payment each month, then Pay-As-You-Go may be your best option. Statistics indicate that Pay-As-You-Go electricity programs help lower electric consumption due to member awareness of usage patterns. If you are interested in signing up for this program contact our Billing Department or Chris Boyd, Director of Member Services, at 800-762-1400 or 618 827-3555.

Manage your energy use with this handy app

Smart Hub

The Smart Hub app transmits utility data enabling consumers to see near real-time information about their energy use. Essentially, this app helps customers better understand how and when they use energy. The Smart Hub app was developed by National Information Solutions Cooperative (NISC) and uses the same data as the Smart Hub web portal. While all members can pay their utility bill using their

mobile device, pre-pay customers can also view their balance. For members who have solar PV systems installed at their home, the app enables them to check their offset power compared to their purchased power.

SIEC can provide guidance on energy savings based on your account information, local energy use and weather patterns for your region and other factors unique to your location.

Contact SIEC's Director of Member Services, Chris Boyd at 618 827-3555 to learn more.

You can help us locate these former SIEC members.

In October 2015, SIEC mailed Capital Credit checks to the last known address of former members who received electric service for 1986 and prior. **Anna Pratt**

Following is a partial list of former members who have not cashed their checks or their check was returned because of an invalid address. We will publish the remaining names on our list over the next several months. We ask that if your name is on the list, you have knowledge of a current address, or know someone who may have this information, to please call the Cooperative office at 800-762-1400 or 618-827-3555 and ask for Lana.

Thank you for assisting us in locating these former Cooperative members.
