SouthEastern Illinois Electric Cooperative **ANNUAL MEETING**

TUESDAY, AUGUST 7th, 2012 **Little Chapel Church**

(3 ½ miles north of Harrisburg on route 34)

SouthEastern Illinois Electric Cooperative is very pleased to announce that it will be holding its 74th Annual Member's Meeting on Tuesday, August 7th, 2012 at the Little Chapel Church (located approximately 3 ½ miles north of Harrisburg on Route 34). Please note that this year both lanes of Route 34 between Harrisburg and Little Chapel Church will be closed due to construction. We have prepared maps showing alternate routes to Little Chapel Church on the back cover of this magazine.

Members who attend the Annual Meeting will receive a \$15 credit on their power bill, receive an attendance prize and be eligible to have their name drawn for a number of prizes, including the chance to win one of

four \$250 cash awards. Children under the age of 13 are eligible to register for and possibly win one of ten gift certificates with a value of \$25 each.

Entertainment and registration will begin at 6 p.m. and the business session begins at 7 p.m. During the business session, members will learn about the Cooperative's past year of operation and the ways your Cooperative is working to improve the service provided, while keeping rates as competitive as possible. In addition, they will be able to participate in the process of selecting four individuals to serve on the Cooperative's Board of Trustees.

As all of you know, the energy industry has been experiencing dramatic changes and will con-

tinue to face new challenges in the future which include ever increasing regulations. There are several new regulations that are either proposed, pending court review or currently being developed. These challenges are very important to all of us as energy consumers. Please attend your annual meeting to find out more about your Cooperative's operations and our commitment to provide members with a reliable and cost-effective energy supply.

Please accept this invitation to attend the 74th Annual Meeting of SouthEastern Illinois Electric Cooperative and learn more about the business that you own.

**See you next month and as always,
"We'll keep the lights on for you."**

READERSHIP PRIZE WINNER: Kenneth Borchelt, Thompsonville, IL
