

Touchstone Energy®
The power of human connections

Through Touchstone Energy®

Your electric cooperative's area schools have access to the Kids "Super Energy Saver" Program: CFL Charlie

The Super Energy Saver Program ...

- Uses mascot CFL Charlie to help in educating students in grades K-5 about co-ops, energy efficiency, renewable energy and electric safety
- Provides teachers with program classroom kits and materials, logos and images, giveaways-everything necessary to teach a full session
- Works in conjunction with the Kids Energy Zone online activities, stories, games and exercises, which can be found at www.kidsenergyzone.com

*For more information about the Super Energy Saver Program,
contact your local Touchstone Energy cooperative*
