OPERATION

ROUND UP

eeca.coop/roundup

Egyptian Electric Cooperative Association wants to see the communities it serves thrive!

100% of the funds go directly to local organizations supporting community service projects, at-need community efforts, economic development, education, safety and other local services.

Organizations can apply for funds year-round, and donations are awarded quarterly, so please spread the word about this opportunity!
More information can be found at eeca.coop/applytoroundup.

GIVE BACK TO YOUR COMMUNITY

We invite our members to join us in this mission to support charitable organizations making a meaningful difference in southern Illinois—by simply rounding up your monthly bill to the next whole dollar!

Each month, your EECA statement will show the Operation Round Up amount as a line item, as well as the accumulated year-to-date amount, which is tax-deductible.
