Clay Electric Co-operative, Inc.
A Touchstone Energy® Cooperative

- Use a **power strip** with an on/off switch when powering multiple electronics to easily manage energy use.

- For devices that require **batteries**, use **rechargeable** ones, which are more cost-effective and environmentally friendly.

- **Unplug** electronic products that consume energy even when they're not in use, like **phone chargers**.

- Use the sleep or **power management** mode on your **computer** to save on energy costs.
