

Stay in the know

with notifications

Sign up for notifications through our **Online Bill Pay Site** to keep close tabs on your account.

-  **Bill Creation:** Notification that your bill has been produced and mailed, the amount now due, and a link to view it.
-  **7-day Due Date Reminder:** Notification reminder sent a week before your bill is due.
-  **Payment Receipt:** Notification that we received your payment.
-  **Cutoff Notice:** Notification that payment was not received and a cutoff notice has been produced and mailed.

Our Online Bill Pay Site is easily accessible through our website at www.menard.com or our MyMEC App. To select any of these notifications, access the My Account drop-down menu, click on Notifications, then select your choices.

Please note that bills are produced, mailed and due at the same times each month. Notifications like these are a handy way to keep track of your account with us and avoid any surprises due to vacations/traveling, mail delivery delays, payment snafus or other changes that life sends your way.
