Capital credits

*Member News:***Unclaimed Capital Credits for Electric Service in 1990**

Unlike investor-owned utilities who provide electric service for a profit, EnerStar Electric Cooperative is a member-owned, member-controlled electric distribution cooperative. After the revenues are collected and all the expenses paid, we return our margins (our version of profits) back to the member-owners.

When you sign up to receive electric service from EnerStar, you become a member of our electric utility, a partowner who invests equitably in the co-op. The amount allocated back to each member is based on how much electricity they used in that year and is paid back to the member later in the form of a capital credit retirement.

Capital credits are not refunded, or "retired," immediately. Because the electric utility business requires large amounts of capital to operate, electric cooperatives reinvest capital credits into their business operations toward improving our electric system and meeting other capital needs. Capital credits also reduce the need to borrow money, which helps keep monthly

rates down for all members and helps us provide you, the member, with a more reliable electric service. During this time, EnerStar carefully keeps track of the amount owed to each individual member so all members receive the correct amount in their capital credit refund when the time comes to retire them. If you ever move out of our service territory, it is important you provide EnerStar a forwarding address.

The cooperative is attempting to locate these members and former members (or possibly their heirs) who received service in 1990. The cooperative does not have a valid address on the accounts listed below or the issued check was not cashed. If your name or the name of a family member is listed, please contact EnerStar at 1-800-635-4145 or at memberservices@enerstar.com during our normal office hours Monday through Friday, 7:30 a.m. to 4:30 p.m. If a member listed is deceased, the estate executor should contact the office for additional instructions on a special estate retirement.

A Touchstone Energy® Cooperative 

11597 Illinois Highway 1
Paris, IL 61944
800-635-4145
Monday through Friday
7:30 a.m. to 4:30 p.m.

Unclaimed capital credits
can also be found at

www.enerstar.com/capital-credits

HOW CAPITAL CREDITS WORK

EnerStar tracks your how electricity purchases throughout the year

At the year end audit, we determine if there is any excess revenue. We call these "margins" at our not-for-profit co-op

Margins are allocated to members based on their usage. These are called Capital Credits. They represent the member's equity or ownership in the co-op

The funds are used for a period of time to operate the co-op. When financial conditions allow, your board of directors will retire, or pay, the Capital Credits back to you

If your name is listed below, or you are an heir of someone listed, please contact EnerStar regarding a capital credit refund.

Upcoming Member Survey Alert!

We're conducting a survey soon to gather your feedback about EnerStar Electric Cooperative.

Whether you have been a member for decades or days, your input is valuable. The survey will be online and takes just a few minutes.

Keep an eye on your email for the survey link. Your feedback is crucial to our cooperative's success!

Why? We Want To...

- Understand your experience
- Learn about your needs as a member
- Ensure we meet your expectations
